School Council members: Mark Williams, Brad Moore, Jacob Hallam, Zeb Chivell, Hayley Brain, Megan Thompson, Liana Gasparini, Nathan Wright and Isabella Griffiths

From Mr. Wright

Welcome back to hopefully what will be a somewhat normal term. I would advise you all to be prepared for potential lockdowns due to the ever-changing landscape that we are faced with. Again, I want to thank staff, parents and students for your cooperation and understanding last term.

To clarify it was my mistake in not communicating correctly when reports were going to be handed out. They will be handed out on Thursday 22nd of July. If you want further clarification on this, feel free to contact me. The reports should be an accurate document reflecting your child's progression in their studies to date according to teacher judgments and assessments. You will be contacted by your teacher if they believe there are any significant changes to previous reports. Be mindful that not all subjects will have been taught in full and therefore your child may not have progressed as much as they should have. These subjects will be taught in more length and detail this semester and students will be re assessed to determine how much they have learnt- this will be reflected in the Semester 2 reports.

Working Bee

The school is looking great with the help of Matt our maintenance guy along with the help of parents. During the holidays there was a small working bee which seen some gardening, spraying, doors trimmed to be able to be opened easier, yellow lines painted on raised edges, brickwork fixed, anti-slip mats re glued and cracks in plasterwork filled.

Volume 57 (Thursday 15th July 2021)

2021 Calendar Dates - Term 3

JULY

WEEK 2

Thursday 22nd - School reports will be handed out
 - MARC Van

Friday 23rd - Maths PD Horsham
 (staff attending)

WEEK 3

Monday 26th - School Council

Wednesday 28th - PD in Hamilton
 (Mr Wright attending)

Friday 30th - Maths PD Dimboola
 (staff attending)

AUGUST

WEEK 4

Monday 2nd - Tuesday 3rd
 - Principal Conference (Melbourne)

Wednesday 4th - Parent Teacher Interviews

Thursday 5th - Parent Teacher Interviews

Getting Along

Confidence

Organisation

Persistence

Resilience

From Mr Wright

Phone Books/Calendars

There are also some copies of the calendar and phone books still at school. If you would like a copy, please feel to see myself or Issy in the office for your chance to purchase one.

2022 Year 7 Information Evening

Year 6 students will be sent home with a letter regarding information for an upcoming transition day at War-racknabeal Secondary College. Some information can be found on the following notice as well.

5/6 Urban Camp

Planning is underway for the cluster camp in Melbourne on the 5th - 8th of October (Term 4, Week 1). The cost will be about \$470 per child going on prices from 2 years ago. Schools are applying for subsidies to lower the cost. If parents have any concerns or questions regarding the camp, please forward these onto me so that I can share with camp organisers. If families are knowing if they are not going to attend, I will need to know to help with numbers and costing.

Footy Tipping Competition

Top 8 after Round 17

Mrs Kelly 92
Mr Wright 91
Spencer 88
Bianca 87
Layla/Ruby 84
Jackson 81
Amelia 80
Olivia/Harrison 79

Our vision is to prepare our students to become active, ambitious, engaged and responsible citizens of our local and wider communities.

BEULAH PRIMARY SCHOOL

HEALTH with Mrs. Kelly

This week students completed a Pre-test to determine their knowledge of fire prevention, causes and actions to protect oneself. A candle was used to demonstrate that fire needs air, fuel and heat.

Students practiced STOP, DROP AND ROLL while covering their faces with hands. We discussed possible safe ways to leave a room if trapped.

This topic will be continued and students will bring home a Fire Plan template to do some homework with their parents in the near future.

IN THE CLASSROOMS

P - 2: It has been a fantastic week back for term 3! The junior students have settled in well and they have gotten straight back into their learning!

In reading, they have focused on cross-checking. This means that they check that what they read, matches the letters and pictures, it is a real word and it makes sense in the sentence. Each child has received a new reading goal too! These should be in their mini plastic pockets to continue practising at home.

In writing, the children have been progressing through Sounds Write, practising high frequency words and have started to look at 'Recounts' and their structure.

In maths, they have continued to develop their number knowledge by identifying, ordering and modelling a range of numbers. Very proud of those busy little bees!

3 - 6: Students in the senior room have been learning about NAIDOC week and the history of it. Students have been familiarising themselves with our new spelling program and making the connection between division and multiplication.

We have been focusing on sharing equally and working with remainders. It is important that students continue to practice their times tables and they will be provided with ideas in class and in the coming weeks on ways to do this.

NAIDOC Week

**HEAL
COUNTRY!**
4-11 JULY 2021

Both classrooms have been learning about NAIDOC Week as it was celebrated across the nation last week. Below are some very eye-catching bookmarks made by the P-2 Students.
