2021 Parent/Caregiver/Guardian Opinion Survey

WE WANT OUR PARENTS/CAREGIVERS/GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents/caregivers/guardians think of our school. The Parent/Caregiver/Guardian Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents/caregivers/guardians (previously known as the Parent Opinion Survey). It is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, student engagement and experiences of remote and flexible learning. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

I would like **ALL** families to complete the survey. All responses to the survey are anonymous. This year, the Parent/Caregiver/Guardian Opinion Survey will be conducted from **Monday 19th July** to **Friday 3rd September**.

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets, or smartphones. The results of this survey will be communicated to School Council and then to all families.

Please see attached form with details to access the survey. If you have any questions please feel free to ask me.

Athletic Sports

Due to the latest restrictions we are unsure if the cluster athletic sports will go ahead. Schools from the cluster have agreed that if they do not go ahead that individual schools can run their own athletic sports day. Schools can send through individual scores to collate them to see which students' progress onto the next stage. **The Beulah Athletic Sports will be run in Week 6 on Friday the 20th**. The cluster sports are meant to be run the following week. You will be notified of any changes.

Volume 59 (Thursday 5th August 2021)

2021 Calendar Dates - Term 3

AUGUST

Week 6

Friday 13th - Casual Clothes day (reading award for students reaching 150 nights)

IN THE CLASSROOMS

P-2 In the junior classroom, the children have been working super hard and doing their best!

In reading, they have been making mental images about the words that are read aloud to them.

In writing, Miss G's group have been introduced to the sounds k,l,u and r. Issy's group have spelt words including the 'sh' and 'ch' sound. The children have been writing high frequency words and editing sentences that need fixing.

In maths, we have started focusing on multiplication as equal groups and how to model these problems.

Another fantastic week of learning!

3-6 In the senior room we have been looking at non-fiction text features and conducted a scavenger hunt to find examples in different books.

We have starting researching facts and practicing note taking skills to create an information report on an Olympic country. Students have been consolidating their knowledge of multiplication and division facts and we are now focusing on developing our understanding of fractions and decimals. In Science we have identified the three states of matter and their properties.

In Humanities students have been learning about children's rights and the big issues facing children around the world and putting their own lives into perspective. Students created an infographic that displays a statistic on poverty, sanitation, illiteracy and malnutrition.

Music Lessons

As a part of the Duet Song Room the school has been able to access funding to upgrade and buy new music equipment and have access to a qualified music teacher. We have been lucky enough to have Malcolm Smith from Jeparit come and help the school. Malcolm has come and conducted some lessons already with students with great enjoyment and engagement. He will be back in term 4 to teach the students and staff about the new musical instruments, lessons and activities and have students prepare a musical performance for our end of year showcase.

Beulah Blurb...

REMINDER: Hot lunches at school are available every **Wednesday**, if students are wanting hot lunch it needs to be in alfoil and named, thankyou.

Health

If anyone has small offcuts of fabric (approximately 5cm square is enough) could they please send them along to school next week. Thanks, Mrs. Kelly.

Reading Superstars

Lots of students reaching another reading milestone the last few weeks, keep remembering to record it in your diary. Great effort!!

Next Friday, will be a dress up day for the students who have reached **150 nights** reading. As part of the reading award system this year.

Our vision is to prepare our students to become active, ambitious, engaged and responsible citizens of our local and wider communities.

BEULAH PRIMARY SCHOOL

Tokyo Olympics has been inspiring some keen table tennis players at school lately.
