School Council members: Mark Williams, Brad Moore, Jacob Hallam, Zeb Chivell, Hayley Brain, Megan Thompson, Liana Gasparini, Nathan Wright and Isabella Griffiths

## From Mr. Wright

### Signing Out

Last newsletter for the year. It feels weird saying that. It seems to be that each year at this time students, parents and teachers find themselves saying 'I can't wait for the holidays.' Although it may be true let's be mindful when, where and who we say this in front of. It can filter through and cause a change in mindset and the expectations, values, and behaviours we developed over the year can start to slide. We want to finish the year on a high and celebrate what a wonderful year we have had. The students have done an amazing job as well as the staff and parents. Let's not forget that. The school and everyone in it have had to endure a lot but one thing has remained at the centre throughout, that is the students. We can't wait to celebrate and display the students work and provide you with some entertainment at the end of year Showcase held tomorrow at the school. Make sure attendees are at the school by 5pm!!!! Once students complete their performances and take family members through the classrooms there will be a parent student cricket match on the school oval and a barbecue tea.

### Attending The Showcase

It is important that people attending the Showcase abide by Department guidelines which is what I have been following throughout the course of the year to make sure we remain safe. There will be an opportunity for people attending to sign in or check in using the QR code which will be situated at the entrances. The information I send out is what I receive from the Department and is as follows.

- Parents, carers, and other adult visitors not performing work who enter school buildings must check in using the QR code and schools must sight vaccination information, but do not need to collect, record, or hold the information.
  - Parents, carers, and other adult visitors who enter school buildings must have had 2 doses of COVID-19 vaccine or have a valid medical exception.
  - Parents, carers, and other adult visitors not performing work need to show evidence of vaccination when entering a school building.
- Parents, carers, and other adult visitors attending a gathering at school, such as a fete, school play or graduation ceremony, whether Indoors or outdoors, need to show evidence of vaccination on arrival.
- In line with the vaccination directions, parents, carers, and volunteers and visitors working on school sites may be able to show that they are an 'excepted person'. Parents and carers who are considered 'excepted persons' may also enter school buildings.
  - This is a very limited category and applies only if the person has obtained an Australian Immunisation Register immunisation medical exemption certificate from their medical practitioner that they are unable, due to a medical contraindication or an acute medical illness, to receive a dose, or a further dose, of a COVID-19 vaccine.

## From Mr. Wright

### Graduation

On Monday the school celebrated the graduating class of 2021 with a delicious meal at the football rooms. Thank you to everyone for their contributions towards making this day special. Students received numerous gifts and accolades. On behalf of the school, I want to wish you all the very best for the future and hope you enjoy the next stage of your learning.

### School Magazine

Unfortunately, we haven't been able to publish the school magazine for families to be handed out tomorrow night. Issy has been working extremely hard along with the students to complete this. This will be handed out to students and families in the New Year. If you have any comments regarding the magazine, you can forward them onto me.

**SHOWCASE**– Students will be able to arrive in casual clothes to the Showcase, as they will perform with Malcolm first and then have time to change before their own performances.

### Reports

Reports will be handed out at the Showcase. Please contact your teacher on the Friday if you have any questions regarding reports to arrange a time to discuss it in more depth. Swimming certificates will also be handed out with reports.

### Enrolment Packs

Enrolment packs for next year will be sent out this week also. If families could have these returned to the school first day back next year, that would be greatly appreciated.

### Building Works

Over the holidays there may be a time when I ask for school and community assistance when I am told of a date when building works will start at the school. Please be mindful of this when attending the Showcase and people are to remain out of the main administration building and only use the toilet entrance to use the facilities at the school.

### Last Day

Lunch orders need to be in no later than tomorrow morning for lunch on Friday. Lunch is supplied by the Café and paid for by the SRC. Please check your emails on information relating to this.

Friday there will also be a water fight. Students can bring water pistols or guns from home if they have them, water balloons will be supplied. It is not expected that parents go out of their way to buy a water pistol or gun for this event. It is meant to be a bit of fun and will be over very quickly once the balloons are gone.

School finishes at 2.30pm on Friday.
