WELCOME BACK

As this time of the year comes around parents can't wait for school to return and usually teachers are the opposite. I think it was safe to say that staff were extremely excited to get back to school, in particular to see the students. It is amazing what a summer can do and how much the students have grown and matured. My students have been amazing and I have been hearing great reports from Miss G's class and how the students have transitioned back into school. We want to welcome our new students and families to Beulah Primary this year. We have two new Prep students, Scout Warren and Mac Thompson and Amelia Elarafi in Year 2. All have made a smooth transition and are enjoying the start of their schooling here at Beulah.

Thank you to everyone for getting the swimming forms back on such short notice. Swimming will take place on Tuesday and Wednesday afternoons each week leading up to the Beulah Swimming Sports in Week 3 (16/2/22) and the cluster swimming sports held at Hopetoun (18/2/22). I will send out more specific details in good time. We want to thank Cathy for her time and effort in ensuring the swimming program continues and provides students with valuable time and guidance to improve their strokes, safety and confidence in and around the water.

I have had numerous messages around school uniforms and I apologise for them not turning up on time. We have resolved the issue and as a result I will be discussing with School Council and Parents Club alternative arrangements regarding uniforms at Beulah going into the future. Sorry for the inconvenience. For the interim please reach out to me if you are concerned about this and I can work with you.

I sent you all an email regarding the forever changing and evolving situation regarding COVID. Please make sure you read that as it has important information regarding what to do if your child receives a positive test or is a close contact. Staff are following the same processes. If you have any questions please feel free to reach out. I will continue to send out information as I receive it to keep you all updated.

I have also had HRCC contact me and pass on the following information:

*If any of your primary aged kids are still needing vaccination appointments, Wimmera Health Care Group are holding a 5-11 year old vaccination clinic on **Saturday 5th Feb** which still has plenty of empty places. The clinic will be held at 20 McLachlan Street, Horsham. Bookings can be made via 1800 675 398, or online, [Home · \(COVID-19\) Vaccinations \(cvms.vic.gov.au\)](https://www.cvms.vic.gov.au)*

This year will no doubt have its challenges. We are already faced with many challenges, some that are being resolved as we speak. Let's work together to solve problems and not add to them and keep things in perspective, something that I am getting better at. One of those challenges is our buildings. I have been talking to project managers and builders and we are getting close to work starting. It will be a big job but one that will be worth it.

Our vision is to prepare our students to become active, ambitious, engaged and responsible citizens of our local and wider communities.
